Good afternoon, Ladies and Gentlemen!

For those that don't know me, I'm the current Governor General of the Plymouth Hereditary Society, and we are in charge of the 2024 Gathering of the New England Heritage Societies. I tried to include the emails for the Governors/Presidents and Deputy Governors/1st VPs as listed on the (beautiful!) websites for the

- Hereditary Order of the First Families of Massachusetts
- The Order of the Descendants of the Ancient and Honorable Artillery Company
- The Order of the First Families of New Hampshire
- The Order of the First Families of Rhode Island and Providence Plantations
- The Order of the First Families of Connecticut
- The Order of the First Families of Vermont
- The Order of the First Families of Maine
- The Winthrop Society
- The Plymouth Hereditary Society

For the 2024 meeting of the New England Hereditary Societies, I have some information for you

Dates: October 4th - 6th

Place: Plymouth, Massachusetts

Hotel: I currently have three hotels vying to give me the best value for our members, but the Hotel 1620 Plymouth Harbor at Village Landing is the current frontrunner. Please don't call them to reserve a room as we haven't formalized an agreement yet. As soon as we do, I will send you an email with updates.

Events: Thus far I am working with The Pilgrim Hall Museum to get us a group tour. I'm looking at a number of ice cream shops and boat cruises. If you have any tours, restaurants, etc. that you would like to recommend, please reach out to me by replying to this email (please do not reply all) or calling/texting me at the number listed in my signature. Please also remember that we want all our attendees to enjoy the events, so accessibility, value, and accommodations for food allergies and/or special diets are priorities when planning these events.

I will be updating this email as new information arrives, I just wanted to get this out to you all before it got much later in the year.

Before I sign off, I wanted to take a moment to send a sincere thanks to everyone that has helped - your feedback has been invaluable in the planning, and has given me the information that I needed to try and make this a fun event!

My best to you all! Hopefully you will hear from me early next week with more information.

Yours, Charlie
